

CY-FALLS PROJECT PROM 2012

Cypress Falls High School ♦ 9811 Huffmeister ♦ Houston, TX 77095

Dear Cy-Fair ISD Business Partner:

This year for the Class of 2012, we are trying to achieve the safest prom night we can for our seniors. We feel it is very important to keep our children from the many dangers that can happen on prom night. In order to make this possible for our children, we must raise the necessary funds to provide this environment for them. As a business partner who has enjoyed the benefits of working with the Cy-Fair school district, we would like to provide your organization with the opportunity to help us achieve this goal.

Project Prom is the after-Prom lock-in for seniors and their dates/guests designed to keep our children off the streets and in the safety of adult supervision. In order to host such an event, the Project Prom Committee of 2012 is raising money to pay for the facility, transportation, food, entertainment, etc. As you might guess, this requires significant funding as well as help from parents, concerned individuals, and businesses such as yours.

We are asking that your company, in support of the Cy-Falls Project Prom 2012, make a donation (product, gift certificates, etc.). All donations will be recognized at all Project Prom events. **We are a non-profit 501(C)(3) organization and your donation is tax deductible. (Tax ID # 76-0621236).** You will receive a receipt for any donation provided.

It is crucial that our children's lives remain safe. What could be more normal than providing them with a safe and happy senior prom? Every year we read stories about our children being seriously hurt or killed in auto accidents because they are out with their friends after Prom. Please help us do whatever we can to stop this from happening to any classmate of the Cypress Falls School Class of 2012. Your donation will make a difference in all of their lives.

Sincerely,

Auction/ Door Prize Collection Committee, Project Prom 2012
