What is project Prom?

Project Prom is a celebration after prom to gather at one location in a safe, supervised environment.

Who attends?

All seniors can attend with a date under the age of 21.

Parents volunteer at fundraisers to raise money for project prom. Involvement is very important.

Some of the items we are raising money for are:

The Main Event

Buses, we will provide transportation to the Main Event from Cy-Falls High School.

Entertainment, Food, Games, Prizes, etc...

Students backpacks/purses will be searched prior to loading on bus and again when entering The Main Event.

Points

Parents earn points for their child by volunteering at fundraisers, attending parent meetings, donation of time volunteering on a committee, wearing a Sr. parent t-shirt to fundraiser events and/or meetings.

11 points = 1 ticket for a Student to use to get prizes at project prom.

If you email Debi your email address you will also receive extra points.

Points translate into tickets
