Possible Car raffle - Scion or Corolla

Toyota has made arrangements to "sell" Cy-Falls a Corolla or Scion for \$13,000.00

PP 2011 will then sell raffle tickets for \$10.00. PP 2011 would need to sell 1,300 tickets at \$10.00 each anything sold after that would be donated to PP 2011.

Questions of concern from PP 2011 parents are:

What are our chances of selling 1,300 tickets?

What is the deadline for selling tickets?

Will the cars be available at school functions?

Can all schools participate or just Cy-Falls?

Who pays the taxes on car?

Do we need a disclaimer?

Does the winner pick between the Scion or Corolla?

Can the winner get a credit of \$13,000.00 from the dealership to go towards another car?

No decisions will be made today and will bring up again with more information at our meet parent meeting.
